Learning is a lifelong process that offers many rewards at all ages. For senior members of our community, we present the LearningPLUS Program. Participants are able to audit college classes at no charge (no grades are earned and no formal records are kept). Whether you want to brush up on your accounting skills or learn more about the American Revolution, our LearningPLUS Program is the ideal way to make sure that your learning never ends.

What’s Available?
Qualifying individuals for the LearningPLUS Program are able to apply for any credit-bearing courses at the University of Pittsburgh at Johnstown (the only exceptions are: computer science, physical education/swimming, and theatre). Regulations governing the LearningPLUS Program are specific to the University of Pittsburgh at Johnstown and do not apply to other schools within the University of Pittsburgh. Distance education courses are not available through LearningPLUS at this time.

Application Procedure
Acceptance into the LearningPLUS Program is contingent upon course availability and instructor approval. In order to participate in LearningPLUS, applicants must be 55 years of age or older (appropriate identification is required at the time of application). Application can be made by completing and returning the LearningPLUS Program Application Form, which appears on the back of this sheet. Forms must be submitted to the Community Relations Office on or before the following dates:

Fall Term: August 1 • Spring Term: December 1 • Summer Term: April 15

Once your application has been processed, you will be notified of your status by the Community Relations Office. Please stop in our office before the start of classes so that you can register your vehicle (parking permits are issued to LearningPLUS participants at no charge). Please do not contact the instructor to inquire about your acceptance into the program. All inquiries should be directed to:
